

Cefalù's Holidays House

HOUSE PRIMACROCE – CEFALÙ

It is a villa on a hill of Gibilmanna, wonderful view on the sea. It has two apartments located 9 kilometers from Cefalù and from the sea. The position of the country house enables to visit the small and characteristic towns of the Madonie mountains or to come to the ski-station of Battaglia Pianure. Two apartments of the villa are been recently renewed and they are furnished with the utilities for a comfortable and lovely holiday. The roofs of wood, the floors of pink bricks, the warm and comfortable rooms make pleasant your staying as in a Alpine hut (of mountains) and next to the sea. The apartments have private parking and a great terrace with a living room furniture to enjoy lovely moments.

WHO WE ARE

We are a family, not a company, that has decided to offer and to share with other guests, for short periods, its houses that are set in unique and enchantable places. We rent pleasant and independent apartments in the country house furnished with Mediterranean taste and with the utilities for a holiday at the sea or in the hill where you can spend lovely hours by enjoying a panorama and a natural patrimony that only Sicily can offer.

WHERE WE ARE

Cefalù is at 70 kms from Palermo and it is the first touristical center of the Western Sicily. Finale of Polline is on the sea and it is at 10 kms from Cefalù.

"White House" Polline

Primacroce Cefalù

"WHITE HOUSE" – POLLINE

It is a country house that rises on the headland of Raisgerbi at Finale di Polline (far 1 kilometer from the village). It is 10 kilometers away from Cefalù and it borders the Valtur village of Polline. The "White House" is the name given by local fishermen because they have considered it as a point of reference in the coast of the Tyrrhen Sea. The house fronts the sea, it has direct access to the sea by inner stairs to the property. The below beach is made up of great pebbles and rocks with beautiful deepnesses. The two apartments: Rais and Gerbi of the house are neighbouring but independent. They are set in front of the sea, they are furnished with an equipped terrace to live under the sun. They have garden, solarium over the sea and private parking.
